

# Nischal Timalsina

Product Designer / Fullstack Developer

✉ Kathmandu, Nepal ☎ +977-985-5011772 📩 contact@nischaltimalsina.com.np 🌐 nischaltimalsina.com.np

Experienced Frontend Developer and UI/UX-oriented engineer with deep expertise in Next.js, React, TypeScript, and modern component-driven architectures. Skilled at transforming complex requirements into clean, usable interfaces with a strong focus on accessibility, performance, and responsive design. Blends technical leadership with creative design thinking to deliver polished, user-focused digital experiences. Adept at building scalable frontend systems, reusable components, and cross-functional design-development workflows.

## Work Experience
